Performance in Lighting is an international Group based in Colognola ai Colli, in the province of Verona, Italy. It includes four luminaire manufacturing companies, two of which are situated in Italy (Prisma in Colognola ai Colli, and SBP in Ghisalba), one in Brussels (Performance in Lighting Belgium), and one in Germany (Performance in Lighting GmbH, Goslar).

The Group converges professional expertise, technical know-how and experience in the various lighting sectors to offer designers and prescribers a complete range of luminaires and lighting engineering solutions.

Being a state-of-the-art luminaire manufacturer established in 1982, SBP exports round 70% of its products into 75 countries all around of the world. It is dealing with manufacturing of mostly industrial and public lighting luminaires. Its specialities: industrial and public lighting luminaires closed by safety plain glass, ground recessed and underwater luminaires.

The range of products manufactured under the brand name SBP – in short:
batten, fast trunking systems; high bay / low bay luminaires; surface mounted industrial and waterproof luminaires, high power area and sports lighting reflectors
